

INDIANA UNIVERSITY BLOOMINGTON

21ST CENTURY SCHOLARS PROGRAM

DIVERSITY, EQUITY & MULTICULTURAL AFFAIRS

January 24, 2020

Hello Scholars,

I hope that this message greets you in good health and spirits! We are off to a great start to the Spring 2020 semester! I see several scholars in our office or on campus already studying very hard.

There is a big career and internship fair this coming Monday (you need to attend the Bootcamp tomorrow to prepare for this). **Please note that both the Bootcamp tomorrow and the Career Fair on Monday are mandatory for freshmen scholars. Upperclassmen are strongly encouraged to attend. It is a mistake for upperclassmen to wait until the senior year to pursue internships. (details on the Career Fair are further down)** Our **Living Off Campus** info sessions are also ongoing so if you have any questions about living off campus please attend one of those sessions.

As promised, the IU 21st Century Scholars Program wants to provide every opportunity for you to reach your college and career goals. In order to do this, it requires you to perform to the best of your ability and read the communication that comes from our office. Whether it is our newsletter or an email that comes from one of our team members, these initiatives are designed for you to be exposed to the information and the opportunities to build your resume and skill set.

In short, please take advantage of all of the resources at your disposal to set you apart from other college students. This is what will be required of you upon graduation when you are sitting in the interview chair. Keep being the best that you can be and focus on the ultimate goal at Indiana University Bloomington. Your future is bright and becomes brighter with the hard work that you put into being a success!

If you need anything, please don't hesitate to communicate with us at iub21cs@iu.edu

New requirement for high school graduating class of 2019 and beyond – College Scholar Success Program

Beginning with the high school class of 2019, 21st Century Scholars will be required to complete the [College Scholar Success Program](#) to maintain their scholarship each year of college. Just like in high school, you will be required to complete activities each year and track your progress using [ScholarTrack](#).

This requirement goes into effect during the 2019-2020 school year (this year) for 21st Century Scholars and will go into effect for all 21st Century Scholars in the high school class of 2019 and beyond during the 2020-21 school year. [link to pdf](#)

One of the requirements of the College Scholar Success Program is **to identify a college mentor** or champion each year. This is a person who you can turn to for advice and who can help you through college and into the workforce. Learn more about the importance of mentoring [here](#).

Once connected with a mentor, you meet with them once a month for an hour for three months.

After you've identified your mentor, don't forget to log into [ScholarTrack](#) to track this requirement.

Don't have an account? To create a new student [ScholarTrack](#) account, select "register for an account" underneath "Not Yet Registered."

Forgot your password? Click "forgot password" and a password reset link will be sent to the email address you enter.

Have questions about the new requirement? Contact Scholars@che.in.gov or **888-528-4719** for further assistance.
