# 21ST CENTURY SCHOLARS PROGRAM

## DIVERSITY, EQUITY & MULTICULTURAL AFFAIRS

January 31, 2020

Hello Scholars,

The Diversity Career Fair this past Monday was amazing. We had 74 employers looking for Freshmen to Seniors. A few want to start a relationship with us directly.

I am so happy you all responded to our request to attend. 1,700+ students were in attendance and we will soon have the numbers of 21st Century Scholars present. There were students still talking to employers or waiting in line after the event officially ended. You will see in the newsletter that there are several other career fairs or career related opportunities on campus this semester -- It is imperative that you take advantage of these opportunities to reach your career goals.

If you need anything, please don't hesitate to communicate with us at [iub21cs@iu.edu](mailto:iub21cs@iu.edu)

If you know of other scholars who are not receiving our newsletter please tell them to email us in order to receive this newsletter and other important information from our office.
