

21ST CENTURY SCHOLARS PROGRAM

DIVERSITY, EQUITY & MULTICULTURAL AFFAIRS

February 28, 2020

Hello Scholars,

Happy Mardi Gras week!

This week has been busy around the office preparing for freshman scholars coming to IUB this Fall 2020. We will be “rolling out the red carpet” for them today and Monday next week so you may see some of the future scholars around campus. These students are getting some of their first impressions of IU right now! If you’re feeling worn down by upcoming midterms and work it would be great if you can still manage a smile for our incoming students. (Spring Break will be here before you know it!) Also, if you are interested in helping with outreach events such as Scholar Day please email us at iub21cs@iu.edu.

If you haven’t started on your [FAFSA](#) yet it’s time to start thinking about it. We have several help sessions planned and Nikki is here to help you. Scroll down for details on that as well as The [Black Male Initiative Event](#), also happening this coming Monday. This is a chance to dialog about the Black Male Experience at IU and make connections with other students.

Also happening here in the office this Wednesday from 4-5pm is a [webinar with INROADS](#). Inroads is the nation’s largest non-profit source of paid internships for diverse, high performing, undergraduate students. If you are looking for an internship or need information about what it entails this is the info session for you!

There are quite a few [Study Abroad info sessions and deadlines](#) coming up so if you may be interested you should check out some of those events.

We also have volunteer opportunities with [Leadership Corps](#) coming up (Seusspicious Activity at the Library!) as well as a [social study event](#) (Monday from 7-9 here in the office). Remember that you can attend a Leadership Corps activity and join at any time. You do need to [join through the BeInvolved page](#) to RSVP for some activities and get more details!

You have already made it through 7 weeks of the semester and midterms are coming up. Remember, we are here for you should you need help or have questions--feel free to contact us anytime at iub21cs@iu.edu or call the office at (812) 856-1910.

All scholars are welcome to take advantage of our **study tables**, (where water and healthy snacks are always available while you study) **computer labs, and lounge**. The area is open **8 A.M to 7:00 PM Monday through Thursday and Friday from 8:00 to 5:00 PM**. Study Tables are located in room #120.

If you know of other scholars who are not receiving our newsletter please tell them to email us (iub21cs@iu.edu) so as not to miss important information from our office. We have our past newsletters [archived on our website here](#). Our social media pages ([Facebook](#), [Twitter](#), and [Instagram](#)) are also active with notifications and reminders of recent events so please make sure and follow our pages.

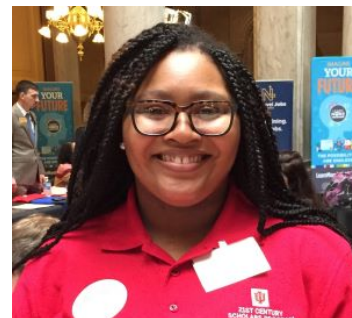

Scroll down for many other events and important things to know. Make sure and visit [the events page on our website](#) on a regular basis as well so you don't miss anything!
